SHAAN M. PATEL

✉ shaan211@live.com   📞 (843) 467-1155   📍 Myrtle Beach, SC 29579

◎ Objective

Eager to gain work experience, knowledge, and growth in an area that will utilize my strengths to reach goals for assigned tasks/projects in a timely manner. Also have a general interest in learning the latest trending technologies of the future.

🎓 Education

- **Coastal Carolina University** — 2015 - 2019
  B.S. in Information Systems
  Minor in Graphic Design
  ★ **Dean's List** — Fall 2018, Spring 2019

- **Carolina Forest High School** — 2015
  High School Diploma

🖥 Technical Skills

① Windows OS

② Adobe Photoshop

③ Adobe Illustrator

④ Adobe InDesign

⑤ TerminalFour

⑥ HTML & CSS

⑦ JavaScript

👤 Soft Skills

① Detail Oriented

② Flexibility & Adaptability

③ Problem Solver

④ Time Management

💼 Experience

② **Web Design Intern** — Feb 2019 - May 2019
Coastal Carolina University

- Designed, developed and implemented new webpages for Coastal.edu using HTML & CSS web languages and *TerminalFour* (a digital marketing and web content management system).

- Carried out requested changes and developed revamps for existing webpages on the Coastal website.

- Communicated and worked with internship supervisor to finalize webpages and establish them onto the live Coastal website.

① **Graphic Designer** — 2013 - Present
Self-employed / Freelance

- Commission custom designs for clients; mainly individuals from a live-streaming video platform called Twitch.

- Communicate predominantly via Twitter with clients to discuss desired designs, possible deadlines, and other relevant requests or information.

- Worked with over 200 clients throughout the design process to collect feedback and ensure they are pleased with end-product designs.
